36 responses

National Assessment and Accreditation Council (NAAC) Alumni Feedback (2024-25)

REPORT OF THE FEEDBACK

- Total number of alumni participated in this feedback is 36.
- The batch span is from 1982-85 to 2022-25.
- The Alumni participated in the survey are from all the Science, Arts and Commerce Departments.
- Total nine questions on academics, administration and infrastructures have been asked in the survey. The suggestions/comments for overall improvement of College have also been asked.
- The summary of suggestions are as under:
 1. Organization of programmes for students to meet and learn from experts.
 2. Improve the campus buildings and facilities.
 3. Equip the Lecture Halls with Modern facilities
 4. Increase the number of faculty members.
 5. Library should be well-maintained and updated.
 6. Career counseling required for students for choosing their careers.
 7. Adequate fund is required to equip latest educational tools.

ACTION TAKEN ON THE FEEDBACK

- All the points raised by the Alumni have been discussed in College Council meeting.
- More interactive panels will be purchased to modernize the lecture halls.
- It is proposed that for Career counseling workshops, the alumni from various areas may also be called along with professionals / industry experts.
- The building and infrastructures is being maintained under the supervision of Public Works Department.
- Modernization of library and laboratories will be done in due course of time.
- More participation of students in various programmes will be ensured from the Departments. The Departments are also encouraged to organize workshops/seminars/conferences and various National & International days celebrations etc.
