## **National Assessment and Accreditation Council (NAAC) Parents' Feedback (2024-25)**

### **REPORT OF THE FEEDBACK**

- Total number of Parents participated in the feedback is 115. Their wards are from Arts, Science and Commerce disciplines.
- Total nine questions on academics, administration and infrastructures have been asked in the survey. The suggestions/comments for overall improvement of College have also been asked and got good comments on academic activities & discipline.
- Some of the suggestions are as under:
  - (i) Organization of seminars/conferences/workshops
  - (ii) Coaching classes for competitive exams
  - (iii) Improvement in infrastructure & lab facilities. Arrangement of drainage of water in rainy season
  - (iv) Increase the number of faculty members

### **ACTION TAKEN ON THE FEEDBACK**

- All the points raised by the Alumni have been discussed in College Council meeting.
- More programmes like seminars/workshops/conferences have been organized and ensured the maximum participation of students in various activities.
- Coaching classes for competitive exams may be again planned after discussion with the faculty members and administration.
- The requisition of faculty members has been sent to the Government.
- The road connected to main gate and college entrance has been raised and more water pumps may be installed during rainy season as and when required.
